Quantity: Limit 100 per order

- Sterile health non-woven face mask
- Breathable filtration
- Fluid resistant
- Above 95% BFE (Bacterial Filtration Efficiency)
- Protect against dust, air pollutants, and other harmful particles
- Reduce exposure to contamination
- Package of **50** masks

***Due to the high demand for this product, expected shipping is delayed to 5-7 business days.**

***Cannot combine with any promotional offer, restrictions may apply.**

3-Ply Face Mask will provide comfortable protection from dust, air pollution and many other harmful particles. These masks are lightweight and won't make your face feel heavy.

It features convenient earloops and a form-fitting design that will help ensure face mask is covering your mouth and nose. These face masks will provide breathable filtration for long periods of wear.

- **FAQs**

- Are these masks N95 or N99 grade?

No, but they are effective against projectile cough or sneezes and hand-to-mouth transmission.

- Are they fluid-resistant?

Yes! They protect against large droplets.

- How long can you wear disposable masks?

It's advised to change your mask every 7-8 hours to ensure the highest protection.

- Is each mask packed separately?

Each package contains **50** masks.

- **Return Policy:** This item is nonrefundable once the order begins to process, all sales will be final. Please verify all information prior to checkout.
