### Description **Serving Suggestions**

Add to chicken soups, gravies, sauces and potato or macaroni salads. Use in icings and frostings, ice cream, cakes, candy, mints and other desserts for a soft yellow color. Add a drop to lemon desserts or sauces for a more inviting color.

### **Preparation**

Use a drop or two per 8 servings. Be sure to add gradually until desired color is obtained. The more used, the darker the color.

### **List of Ingredients**

Water, Yellow 5 and 6, Citric Acid and Sodium Benzoate (Preservatives).

### **Packaging & Storage**

This product is packaged in two sizes (pint and quart) of clear recyclable plastic bottles with tamper evident foil-lined inner seals. For best results, store tightly closed in a cool dry place.

**Shelf Life:** 2 YEARS
