KN95 Face Masks will provide extra protection against dust, pollen, and PM2.5 level particles through its electrostatic filter material. It will also effectively block 95% of certain non-oil based particles.

It has 5 special layers made up of:

- PP non-woven fabric
- Meltblown Cloth
- Meltblown Cloth
- PP Cotton Enhanced
- Skin-Friendly Non-Woven

These KN95 face masks are easy to use and feature an elastic ear-loop. The mask is soft and comfortable to wear because it is lightweight and provides breathable filtration that will make wearing it for a long period of time easy to do.

- **Return Policy:** This item is nonrefundable once the order begins to process, all sales will be final. Please verify all information prior to checkout.
